PROFILE

I am a ceramist, photographer, and UX designer. I have a passion for communicating with people through art and design. With my UX design experience and commercial photography background, I believe I have excellent skills in communicating with people, understanding users' needs, and problem-solving. I can overcome challenges with patience and empathy.

EXPERIENCE

Senior UX Designer, LVMH

2028-Present

- Leading UX Design Team (team of 5) in Japan
- Planning overall Web/mobile app strategy in Japan and present it to Asia division
- Redesigning LVMH Group Japan mobile App

Senior UX designer, Skydea Inc.

2025-2028

- Worked with a wide range of clients including technology, travel and startups projects
- Experienced in communicating with clients, market research, usability testing and prototyping depending on the project.
